**DUAL CUTTERS
PROVEN TO
LAST 2-3X
LONGER**

HIGH STRENGTH CHROMIUM ALLOY

10x Stronger than Augers made from high carbon steel.

AMAZING FEED RATE

Drills 400mm in a single pass without clogging, in dry timber.

DUAL CUTTING POWER

The dual cutting tip on our 16mm and larger Augers significantly increases the cutting speed and keeps the edges sharp longer.

EASY TIP SHARPENING

With a round or half-round file, like traditional augers.
